6 Empowering the voices of the Global South

7 Bridging the Global AI Divide and ensuring its benefits accrue for all

Approach towards the Summit outcomes

Whole of Ecosystem Approach towards planning & execution of the Summit

Multistakeholder & Multi-national working groups for co-creation of all deliverables

Participatory process towards finalization of **themes** and **outcomes**

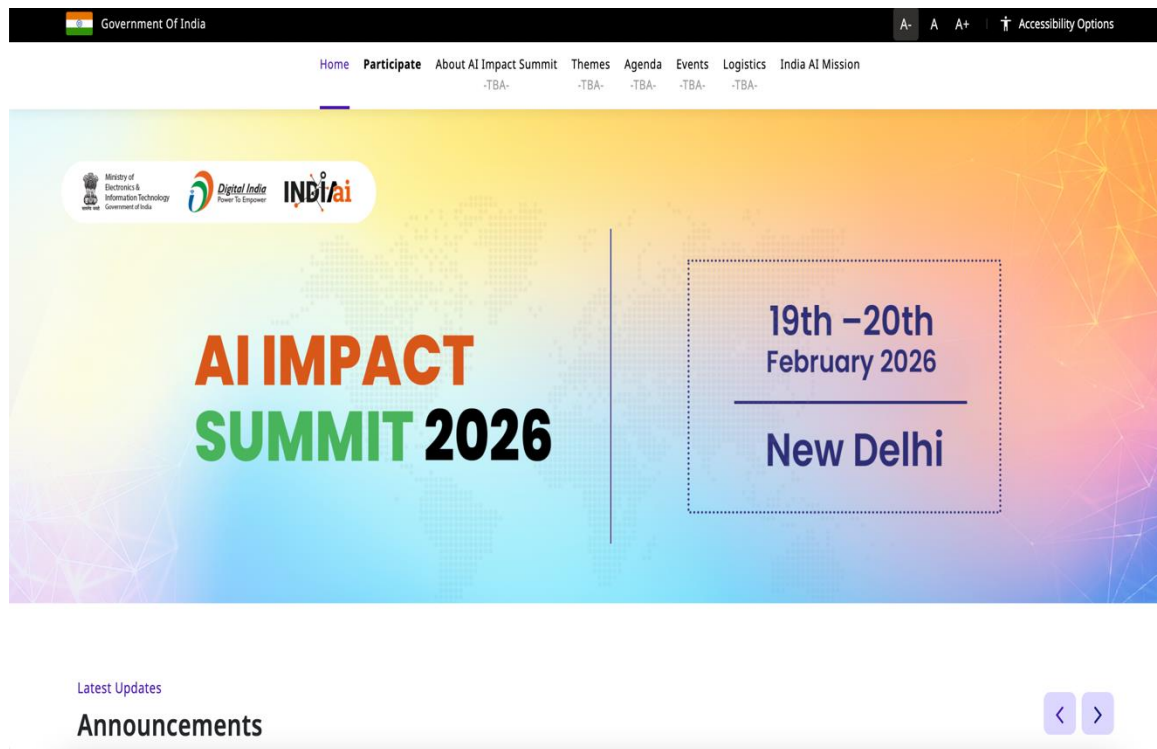

Decentralized process towards organization of **side events** during and leading up to the Summit

Meaningful participation from the **global south**

Current Initiatives

Summit Website:
<https://impact.indiaai.gov.in/>

Impact Summit Logo Design Contest offers a unique opportunity to contribute creatively to the visual identity of this landmark global event.

Public Consultation to invite inputs from all citizens & stakeholders, for informing the discourse & outcomes of the Summit

Series of ongoing initiatives reflect our commitment to participatory and co-creation approach

Upcoming Initiatives

The official Summit website will be the focal point for all updates, announcements, & call for partnerships

Working Groups: Establishment of multi-stakeholder working groups for the co-creation of deliverables and summit outcomes

Call for Partnerships for Side-Events: Open **global call** for hosting relevant side events aligned to the themes & objectives of the summit (leading up to and on days of Summit)

Registrations: Registrations for the Summit, along with logistics details to be released soon

Discussion Points

Shaping the themes, discourse, and outcomes of the AI Impact Summit

- 1 **Tangible outcomes/priorities** for the AI Impact Summit
- 2 **Enabling meaningful and inclusive engagement** and participation of all stakeholders
- 3 **How can we work together** to ensure that the AI Impact Summit builds a platform for impactful, inclusive, actionable cooperation
